### WHEEL OF FORTUNE DETAILS

Only **30 CHANCES** will be sold for each of the prize packages. The price per chance for each package is listed after each description. Simply fill out the **WHEEL of FORTUNE** section of your response card with the prize package numbers, record the number of chances you wish to purchase on each item, and return with payment to Ronda Stumler, no later than January 17, at Providence High School, 707 Providence Way, Clarksville, IN 47129.

Gaming laws require your check to be payable to **PROVIDENCE CHARITY GAMING** for Wheel of Fortune tickets. The postmark date will determine the 30 participants for each package. When we receive your selections, we will randomly assign a number from 1-30 to each of your entries. Buying multiple chances on an item will increase your odds of winning! If more than 30 responses are received for a given package, we will call you to offer another selection. On January 20, during the Gala, we will randomly draw numbers to determine three finalists for each wheel item. If your number is drawn, you will be asked to come and take your chance at the spin of the color wheel to determine the winner. (If you unable to attend, a designated PHS representative will compete on your behalf).

We are using BidPal for all the Silent Auction bidding again this year.
