Re: Safe and Sacred Training

Our Lady of Providence Junior – Senior High School participates in the Archdiocese of Indianapolis “Safe and Sacred” training protocol. As part of our mandate and our license to operate, this program is a prerequisite for all employees and volunteers who work in our school. There are no exceptions.

The Archdiocese of Indianapolis utilizes “Safe and Sacred” as part of its ongoing commitment to the care and protection of children. All priests, deacons, employees of parishes, schools, and agencies of the archdiocese and volunteers who have contact with children are required to complete the training prior to their first day of employment, service or ministry, even if they have taken Virtus or other child protection programs at another Diocese or Archdiocese. Training is valid for three years, at which time employees and volunteers will be required to re-certify in order to continue their status in the Archdiocese.

The course is available 24 hours per day, seven days per week at www.safeandsacred-archindy.org. Thank you in advance to our employees and volunteers for your participation in this training and your commitment to the protection of children.

“Safe and Sacred” is one of the many important elements in the overall safety and security strategy for *Our Lady of Providence Junior-Senior High School*. We thank you for your ministry and your unwavering support of this program.
