

# Providence Girls Soccer

2011 Undefeated State Champions  
19 Consecutive Winning Seasons  
11 Sectional Titles since 2001

## Free Soccer Clinics this Winter!

- Who?** For Deanery-School Girls in grades K through 8 who are interested in attending Providence H.S. in the future.
- What?** **FREE Soccer Training beginning Dec. 15 at Providence.**
- When?** Saturday mornings from 8:00 a.m. to 9:00 a.m.
- Where?** In the Larkin Center and Koetter Gym at PHS.
- Why?** Because Soccer is fun and it's also great exercise! Because it doesn't matter if you are short or tall, everyone can play. Because playing time is available at the high school level if you apply yourself and stick with it. Because soccer is a "foundational sport" that teaches balance, strength, quickness, coordination and endurance. Because the fees are manageable for families with multiple children in various activities. Because weekend travel is not a requirement to be part of this program. The Future Blue Futbol Crew is an affordable way to get your daughter into a championship program at PHS. Come find out how!
- How do we Register?** Please contact Coach Dave Smith at 812-945-3350 or email [dsmith@providencehigh.net](mailto:dsmith@providencehigh.net)

### Frequently Asked Questions:

- Who is coaching?** PHS Coach Dave Smith will be assisted by members of the Providence Girls' Soccer coaching staff and players, some of whom are currently playing in college and others who are college soccer-bound. Our players are amazing and they're excited to teach your daughters the beautiful game of soccer!
- Does my daughter need to have experience?** Soccer experience is not necessary. All they need is a great attitude and a willingness to pay attention during the sessions. We're going to learn some soccer and have lots of fun, mostly through games. These clinics are for beginners, intermediate or advanced players.
- What do we need to bring?** Players should wear tennis shoes and bring a soccer ball. If you do not have a soccer ball, come anyway. That said, it is definitely best for every player to have their own ball as we will work on footskills. In addition, it's important for players to have the correct size ball: Grades K-2 need a size 3 ball; Grades 3-6 use size 4 and players in grades 7-8 use a size 5 ball.
- Will all the girls be in one big group?** We will divide the girls into age-appropriate groupings. We prefer small groups to afford more coaching attention.
- What is new this year?** Most weekends we have use of both PHS gymnasiums. This will allow the older girls to scrimmage in a larger space, similar to small-sided outdoor soccer. On 12/22, 2/2 and 2/9 we only have one gym, but we'll make do and have fun. Depending on the weather, the older girls may go outside on the turf a few times?
- What if we want to participate, but cannot attend all of the sessions?** No problem. Just come to as many sessions as you can. If possible, please let Coach Dave know via email whether you plan to attend on a given week? This is helpful. It is very important that we get your email and cell number so we can notify you in case of cancellation due to inclement weather. Please help us with this.
- What else do we need to know?** Due to the young ages of these children, we require that **ALL PARENTS MUST STAY IN THE GYM THE ENTIRE HOUR.** If someone gets a "boo-boo" or needs to go to the restroom, you need to be there for them. Sorry but we can not make exceptions with children this young.
