### PROVIDENCE NAMES NEW GIRLS SOCCER HEAD COACH

Our Lady of Providence High School is proud to announce the appointment of Coach Trevor Black as the new Providence Girls Soccer head coach.

Coach Black is a graduate of the University of Louisville with a bachelor's degree in marketing. He also attended Thomas More University for two years, where he used his soccer skills as the football team's place kicker. During high school, he was a four-year varsity letterman at Christian Academy of Louisville and team captain his senior year as well as a Kentucky All-Stater. He also played club soccer with United FC Soccer Club for more than 10 years, traveling in more than 20 states and winning numerous tournament championships, including one of the most prestigious, The Disney Cup Tournament in 2010.

Coach Black has been coaching at Providence since 2016 in the boys' program as a goalie coach, JV head coach and varsity assistant coach. He also has served as the acting head coach on two separate occasions. In 2017 he was 2-0 at the regional while our head coach got married, and this past season he was 3-0 during the regular season when our head coach was under Covid-19 quarantine, making him undefeated as a head coach at Providence! He has spent the last couple of years also working with some of the girls' players two to three days per week during the season. Additionally, he was an integral part in this year's Boys Soccer 1A state championship.

Providence Athletic Director Mickey Golembeski is pleased to welcome Black to the girls' program.

"Providence is thrilled as well as very fortunate to have such a high caliber quality coach to continue on the tradition of excellence in its Girls Soccer program," Golembeski said.
